

## **Colorado Child Care Assistance Program (CCCAP) FISCAL AGREEMENT INSTRUCTIONS**

Welcome to the Colorado Child Care Assistance Program. We are excited that you are interested in providing quality child care for a program that assists families in meeting their child care expenses. These families need child care in order to move towards self-sufficiency. As a child care provider, you will be working in partnership with Larimer County to assist these families.

All providers that provide child care for a family that is receiving CCCAP will be required to sign a Fiscal Agreement. A Fiscal Agreement is a contract between you and Larimer County Department of Human Services. Larimer County has the right to refuse to enter into a fiscal Agreement with a provider or terminate an agreement. The only time a Fiscal Agreement will be changed is when your status changes from unlicensed to licensed or the reverse, when the State authorizes a change in rates or when a provider is closed by State licensing staff. The beginning and ending date of the contract will vary depending on when the county office received the Fiscal Agreement. A new Fiscal Agreement will be mailed to you prior to the ending date therefore it is very important you inform the county office of any changes to your address. Since we cannot change your contract it is very important that you read it carefully and provide all information requested.

If you agree with the requirements and restrictions that are set forth in the enclosed information, please sign the Fiscal Agreement and return it along with all of the requested information to Larimer County Department of Human Services. Once the signed agreement is received, a pre-printed billing form and a Child Care Certificate will be sent to you. We will not pay any billing requests until the signed Fiscal Agreement and all of the requested information has been returned to the county office and entered into the payment system.

You can terminate services with CCCAP children in your care as you would with a private pay family if they are not meeting the rules set forth in their contract with you. Terminating service with one family does not prevent you from being a provider for another family. You are required to notify the child care worker within 30 days if the parent is not keeping current on any parental fees. You cannot charge the CCCAP families the difference between your normal private pay rate and the maximum amount that can be charged to CCCAP families.

### **As a child care provider, you must return the following:**

- FISCAL AGREEMENT (specific to your circumstance: licensed center, licensed home or not licensed)
- Contract Addendum (specific to your circumstance: licensed center, licensed home or not licensed)
- Payment choice letter
- ACH Form for Colorado Providers (if you chose Direct Deposit as your payment choice)
- W-9 Form
- Copy of your current charge policies on rates, transportation, activity, registration fees and payment policies
- Point of Service (POS) Device Provider Agreement

If you have any questions regarding the fiscal agreement or the billing process, please call 498-7623.

## Licensed Home Provider Fiscal Agreement

License/Certificate (Provider ID) \_\_\_\_\_ Tax ID No. (SSN/FEIN) \_\_\_\_\_

This Agreement is entered into and between the **Larimer County Department of Human Services** herein referred to as “**Department**” and \_\_\_\_\_ (**Provider Name**), herein referred to as “**provider**” who will provide child care at the following address:

\_\_\_\_\_ (**Provider Address**)

This agreement shall be in effect from \_\_\_\_\_ to **December 31, 2012**.

### Provider Agrees to the following:

1. To provide child care at the facility address listed above and ensures that care is provided only by the person or business listed above.
2. To report any changes in my phone number or address to the county within ten days of the date it changes.
3. To conform to all applicable State and Federal Regulations and local law.
4. To sign the child care fiscal agreement and all other Department or state required forms.
5. To develop an individualized care plan for disabled children.
6. I understand that I must attend training before I will receive a point of service (POS) device. The POS device is how I will bill for the care that I provide.
7. I understand that the POS will send billing to the Department on a weekly basis for payment. I will notify the Department immediately if the POS system is not working correctly so it may be repaired.
8. I will maintain an analog land line for phone service to ensure that the POS terminal can submit attendance information to the Department for payment. I may manually bill the Department for services authorized, based on Department payroll policies, that are not reimbursable automatically based on the POS transactions. I forfeit payment for services if the original manual billing form is submitted more than sixty (60) calendar days following the weekly service period.
9. When the adult caretaker swipes their card into the POS and the terminal indicates the status as “pending” or “not authorized”, there is no guarantee of payment to the provider from the Department. If the child care case is not authorized, then responsibility for payment lies with the adult caretaker and the Department shall not be held liable.
10. I understand that for payment, adult caretakers shall swipe their card at the provider’s location to sign in and out each day. Missed swipes may be updated within ten days of the date of service.
11. I will never keep in my possession (whether at the facility or in any other place) a client’s Child Care Benefits Card used to swipe for attendance. Possession of any swipe card(s) will terminate this fiscal agreement and preclude the provider from providing child care assistance services in the future with any Department.
12. If I stop caring for children under the Colorado Child Care Assistance Program a self addressed, postage paid label will be mailed to the provider to assist in returning the POS device. If the POS device is not returned in good shape (allowing for normal wear and tear) to Affiliated Computer Systems (ACS) a recovery will be established for the cost of replacement for the POS device of \$365.
13. I will report non-payment of parent fees to the Department no later than the end of the month they have not been received. (I understand that the Department cannot enforce non-payment of parent fees if this information is not reported.)
14. I will notify the Department of unexplained, frequent and/or consistent absences within ten (10) calendar days of establishing a pattern.
15. I will not charge parents rates in excess of those agreed upon in the fiscal agreement (this includes the agreed upon registration, mandatory activity and transportation fees if the Department pays these fees).
16. I will allow the adult caretaker immediate access to the child in care.
17. I will accept referrals for child care without discrimination with regard to race, color, national origin, age, sex, religion, or physical or mental handicap.
18. I will provide children with adequate food, shelter and rest.
19. I will provide care for children under this agreement only if authorized by the Department in advance. This agreement may be cancelled without notice by the department if there are child health or safety concerns involving the provider or a resident in the provider’s home.
20. I will maintain as strictly confidential all information concerning children and their families.

21. I will protect children from abuse/neglect and report any suspected child abuse and neglect to the Department.
22. I will hold the Colorado Department of Human Services, the State of Colorado and the County Department of Social Services harmless for any loss or actions caused by the performance of this Agreement.
23. I agree that allowable rates and other associated charges shall be in accordance with State Rules for Colorado Child Care Assistance Program.
24. I understand that if I commit fraud or intentional program violations I will be subject to disqualification from the Colorado Child Care Assistance Program (CCCAP) as a provider for 12 months for the first offense; 24 months for the second offense and permanently for the third offense.
25. I shall charge the Department the agreed upon county rates of reimbursement as set forth in the attached document.
26. If the Department establishes a slot agreement with me I understand that any additional children will be paid under the regular rates of this Fiscal Agreement.
27. If the registration, activity and transportation (RAT) fees are paid separately from my rates, I understand that I will have to manually bill for these fees to be reimbursed. **Refer to the Fiscal Agreement Translation Form to enter RAT fee information.**
28. Maintain a valid child care license as required by Colorado Statute.
29. Report to the county if their license has been revoked, suspended, or denied within three calendar days of receiving notification, a recovery will be established of all payments made as of the effective date of closure.
30. Maintain proof of **age appropriate immunizations** for the children in their care, if required by county policy. Immunization records shall be obtained from parents either at the time of admission or within thirty (30) calendar days of the date of admission and shall be updated annually. For children whose parents object to immunizations on religious grounds or for children whose medical condition contraindicates immunization, providers shall maintain a statement in the child's file signed by the parent stating the reason for not immunizing.
31. To manually bill for claims, as needed, the provider will need to maintain sign in/out sheets with the time the children arrive and leave each day they attend. This record must be signed by the person authorized to drop off or pick up the child(ren). **You must submit sign in/out sheet for each child in your care for all MANUAL bill claims or the payment cannot be processed.** These records must be available for county review upon request and maintained for the current year plus three years.
32. I shall not charge the counties more than my established private pay rates and **I will keep the county informed of changes in my private pay rates within ten (10) days of the change.**
33. I shall offer free, age-appropriate alternatives to voluntary activities.
34. To attach a copy of your current charge policies on rates, transportation, activity, registration fees and payment policies if you are a licensed provider. These rates cannot be more than rates the provider charges the public. Allowable rates and other associated charges shall be in accordance with State Rules for Colorado Child Care Assistance Program and in accordance with Larimer County policies. **I am subject to recovery if my reported private pay rates are lower than the agreed upon county reimbursement rates established in my fiscal agreement.**
35. I understand that payment made for inaccurate or fraudulent billings will be recovered. Fraudulent billing will be prosecuted. If at the time any overpayment is established while your fiscal agreement is active, the amount of the overpayment will be deducted beginning with the next child care payment and every payment thereafter until the overpayment is paid in full. If your fiscal agreement is inactive, Larimer County shall collect the overpayment in accordance with the standard collection procedures.

Don't forget!

#### Provider Rights:

1. When a provider contends that the Department has not made adequate payment based on program rules for care provided, the provider has the right to an informal conference with Department staff pursuant to 9 CCR 2503-1 at Section 3.910, (D).
  - Providers may request a conference in writing within 15 days of the date of the action.
  - Provider request should be addressed to the Department director of the county Department of Social/Human Services responsible for the action.
  - Provider may request that state program staff participate in the conference. That participation may be by telephone conference.

### Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

### Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and

**Certification instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. See the instructions on page 4.

## General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

### Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

**Note.** If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

- The U.S. grantor or other owner of a grantor trust and not the trust, and
- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

**Foreign person.** If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

**Nonresident alien who becomes a resident alien.** Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a “saving clause.” Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

**Example.** Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

**What is backup withholding?** Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called “backup withholding.” Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

**Payments you receive will be subject to backup withholding if:**

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Also see *Special rules for partnerships* on page 1.

## Penalties

**Failure to furnish TIN.** If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

**Civil penalty for false information with respect to withholding.** If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

**Criminal penalty for falsifying information.** Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

**Misuse of TINs.** If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

**Limited liability company (LLC).** Check the “Limited liability company” box only and enter the appropriate code for the tax classification (“D” for disregarded entity, “C” for corporation, “P” for partnership) in the space provided.

For a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Regulations section 301.7701-3, enter the owner’s name on the “Name” line. Enter the LLC’s name on the “Business name” line.

For an LLC classified as a partnership or a corporation, enter the LLC’s name on the “Name” line and any business, trade, or DBA name on the “Business name” line.

**Other entities.** Enter your business name as shown on required federal tax documents on the “Name” line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the “Business name” line.

**Note.** You are requested to check the appropriate box for your status (individual/sole proprietor, corporation, etc.).

### Exempt Payee

If you are exempt from backup withholding, enter your name as described above and check the appropriate box for your status, then check the “Exempt payee” box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

**Note.** If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

The following payees are exempt from backup withholding:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),
2. The United States or any of its agencies or instrumentalities,
3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,
4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or
5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation,
7. A foreign central bank of issue,
8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,
9. A futures commission merchant registered with the Commodity Futures Trading Commission,
10. A real estate investment trust,
11. An entity registered at all times during the tax year under the Investment Company Act of 1940,
12. A common trust fund operated by a bank under section 584(a),
13. A financial institution,
14. A middleman known in the investment community as a nominee or custodian, or
15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt payees listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt payees except for 9
Broker transactions	Exempt payees 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt payees 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 <sup>1</sup>	Generally, exempt payees 1 through 7

<sup>1</sup> See Form 1099-MISC, Miscellaneous Income, and its instructions.

<sup>2</sup> However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, and payments for services paid by a federal executive agency.

## Part I. Taxpayer Identification Number (TIN)

**Enter your TIN in the appropriate box.** If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

**Note.** See the chart on page 4 for further clarification of name and TIN combinations.

**How to get a TIN.** If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at [www.ssa.gov](http://www.ssa.gov). You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at [www.irs.gov/businesses](http://www.irs.gov/businesses) and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting [www.irs.gov](http://www.irs.gov) or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

**Note.** Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

**Caution:** A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

## Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt payees, see *Exempt Payee* on page 2.

**Signature requirements.** Complete the certification as indicated in 1 through 5 below.

**1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.** You must give your correct TIN, but you do not have to sign the certification.

**2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.** You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

**3. Real estate transactions.** You must sign the certification. You may cross out item 2 of the certification.

**4. Other payments.** You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

**5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions.** You must give your correct TIN, but you do not have to sign the certification.

## Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

Call the IRS at 1-800-829-1040 if you think your identity has been used inappropriately for tax purposes.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

### Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to [phishing@irs.gov](mailto:phishing@irs.gov). You may also report misuse of the IRS name, logo, or other IRS personal property to the Treasury Inspector General for Tax Administration at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: [spam@uce.gov](mailto:spam@uce.gov) or contact them at [www.consumer.gov/idtheft](http://www.consumer.gov/idtheft) or 1-877-IDTHEFT(438-4338).

Visit the IRS website at [www.irs.gov](http://www.irs.gov) to learn more about identity theft and how to reduce your risk.

We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

Dear Child Care Provider,

You have a choice of how you will receive your child care payment. Below are the choices you have and a little information about each choice.

Direct Deposit

- Your payment will go directly into your checking or savings account. The first month may need to be on a Colorado Quest Card. The following month, your payment will go to your bank account. With Direct Deposit your payment should be available to you the Wednesday or Thursday after our payroll closes.

Colorado EBT – Quest Card

- The Quest Card is issued to you and your childcare payments are put on the card. The card is somewhat like a debit card. You can access your money at grocery stores, other retailers and ATM’s (remember ATM’s do charge a fee, which would reduce your amount). You will have access to your money on the Monday after our payroll closes. This is the fastest way to get your payment. You will need to come into our Fort Collins office to get your card and to select your Personal Identification Number (PIN). If you already have an EBT Quest Card, your childcare payments can be added to your existing card.

PLEASE SELECT ONLY ONE OF THE FOLLOWING CHOICES:

- I currently receive direct deposit and would like to continue.
Direct Deposit into Checking or Savings account (please fill out the form “ACH FORM FOR COLORADO PROVIDERS, For Direct Deposit Payments” & return it with your packet.
Check here if you already have an EBT Card and would like your childcare payments added on to your card.
