The Larimer County Department of Natural Resources has been compiling this manual since 1991 as an aid to parks, recreation, and natural resource agencies in Larimer County in appropriately directing public requests for information.

For information about this directory, please contact the Larimer County Department of Natural Resources. Additions or corrections to the information regarding your specific agency can be made by e-mailing changes to parksoffice@larimer.org with the subject as “Directory Changes,” or by printing and completing the change request form (located at the end of this document) and mailing to the above address to the attention of “Directory Changes.”

For their contributions to this project, the Larimer County Department of Natural Resources thanks Ruth Lippoldt and Dorothy Patterson, participants in the Larimer County Senior Tax Work-Off Program, and Lisa Coalwell, Larimer County Department of Natural Resources volunteer.
