

TABLE OF CONTENTS

1.0	INTRODUCTION AND OVERVIEW.....	1
1.1	Introduction	1
1.2	Scope and Organization of the Resource Management Plan and Environmental Assessment	1
1.3	Authority.....	2
1.4	History and Background.....	2
1.5	Overview of the Study Area(s)	4
1.5.1	Horsetooth Reservoir.....	4
1.5.2	Carter Lake	4
1.5.3	Flatiron Reservoir	6
1.5.4	Pinewood Reservoir	6
1.6	Regional Context	6
1.6.1	Region of Influence.....	6
1.6.2	Demographics	6
1.6.3	Other Regional Recreation Opportunities	10
1.7	Proposed Federal Action.....	13
1.8	Purpose and Need.....	13
1.9	Planning Objectives	14
1.10	Public Involvement	15
1.11	Agency Consultation and Coordination.....	16
1.11.1	State and Federal Compliance	16
1.11.2	Adjacent Landowners.....	16
2.0	MANAGEMENT FRAMEWORK.....	1
2.1	Introduction	1
2.2	Management Responsibilities	1
2.2.1	Bureau of Reclamation.....	1
2.2.2	Larimer County	1
2.3	Management Partners	3
2.3.1	Fire Management	3
2.3.2	Northern Colorado Water Conservancy District: Water Supply.....	3
2.3.3	Colorado Division of Wildlife	3
2.3.4	Law Enforcement.....	3
2.3.5	Adjacent Land Use	3
2.3.6	Related Actions and Activities.....	4
3.0	PLANNING ISSUES, OPPORTUNITIES, & CONSTRAINTS.....	1
3.1	Introduction	1
3.2	Planning Process.....	1
3.3	Planning Issues and Opportunities.....	3
3.3.1	Natural Resources.....	4
3.3.2	Visitor Experience	4
3.3.3	Social and Cultural Resources.....	5
3.4	Management Constraints.....	5
3.4.1	Legislative Constraints	5

3.4.2	Environmental Constraints	6
3.4.3	Carrying Capacity Constraints	6
4.0	ALTERNATIVES.....	1
4.1	Introduction	1
4.2	Alternative Formulation	1
4.3	Alternatives Considered in Detail	2
4.4	Alternative A – No Action.....	2
4.5	Alternative B – Proposed Action.....	5
4.5.1	Horsetooth Reservoir.....	7
4.5.2	Carter Lake	13
4.5.3	Pinewood Reservoir	19
4.5.4	Flatiron Reservoir	21
4.6	Elements Common to All Alternatives.....	21
4.7	Alternative Elements Eliminated from Consideration	21
4.8	Standard Environmental Commitments	22
5.0	AFFECTED ENVIRONMENT & ENVIRONMENTAL CONSEQUENCES.....	1
5.1	Introduction	1
5.2	Natural Resources	2
5.2.1	Hydrology and Water Quality.....	2
5.2.2	Soils, Geology and Topography	4
5.2.3	Vegetation.....	7
5.2.4	Fish and Wildlife.....	15
5.3	Visitor Experience.....	21
5.3.1	Recreation	21
5.3.2	Visual.....	23
5.3.3	Land Use.....	27
5.3.4	Public Facilities and Transportation	30
5.4	Social and Cultural Resources.....	33
5.4.1	Socioeconomics	33
5.4.2	Cultural and Heritage Resources	35
5.5	Unavoidable Adverse Impacts.....	37
5.6	Relationship Between Short-Term Uses and Long-Term Productivity	37
5.7	Irreversible and Irretrievable Commitments of Resources	38
6.0	RESOURCE MANAGEMENT PLAN	1
6.1	Introduction	1
6.2	Plan Development.....	1
6.3	Issue Identification.....	1
6.4	Management Goals and Policies	2
6.4.1	Framework for a Exclusive and Special Use Policy	5
6.4.2	Guiding Statements for Horsetooth Reservoir	6
6.4.3	Guiding Statements for Carter Lake.....	6
6.4.4	Guiding Statements for Flatiron Reservoir.....	7
6.4.5	Guiding Statements for Pinewood Reservoir.....	8
6.5	Resource Management and Environmental Protection.....	9
6.6	Plan Implementation.....	12
6.7	Implementation Actions.....	13

6.8	Implementation Guidelines	20
6.9	Amendments and Modifications to the RMP/EA.....	20
7.0	CONSULTATION & COORDINATION.....	1
7.1	Parks Planning Team	1
7.2	Parks Task Force	1
7.3	Federal, State, and Local Agencies.....	1
7.4	Others Persons or Parties.....	2
7.5	Stakeholder Groups Contacted for Participation	2

APPENDICES

- APPENDIX A: REFERENCES**
- APPENDIX B: GLOSSARY**
- APPENDIX C: PUBLIC WORKSHOPS & INTERVIEWS REPORT**
- APPENDIX D: APPLICABLE LAWS & REGULATIONS**
- APPENDIX E: SITE DESIGNS**

MAPS

- Map 1: Study Area
- Map 2: Horsetooth Reservoir, Alternative B, Proposed Action
- Map 3: Carter Lake, Alternative B, Proposed Action
- Map 4: Pinewood Reservoir, Alternative B, Proposed Action
- Map 5: Flatiron Reservoir, Alternative B, Proposed Action
- Map 6: Horsetooth Reservoir, Existing Conditions
- Map 7: Carter Lake, Existing Conditions
- Map 8: Pinewood Reservoir, Existing Conditions
- Map 9: Flatiron Reservoir, Existing Conditions

TABLES

- Table 1-1. Typical area of residence for Larimer County parks visitors.
- Table 1-2. Historical population and preliminary population forecasts.
- Table 1-3. Households and income.
- Table 1-4. Household income of Larimer County parks visitors.
- Table 1-5. Racial composition 1990 and 2000.
- Table 1-6. Ethnic background of Larimer County parks visitors
- Table 1-7. Population by age group and percentage change between 1990–2000 within the region of influence.
- Table 1-8. Typical ages of Larimer County park visitors.
- Table 1-9. Average gender of Larimer County park visitors.

Table 1-10.	Regional recreation opportunities.
Table 1-11.	Public lands within the nine county region of influence.
Table 3-1.	Partial list of stakeholders.
Table 4-1.	Existing inventory.
Table 4-2.	Total acres of new development or new disturbance.
Table 4-3.	Comparison of existing and planned campsites and parking spaces.
Table 4-4.	Total of new development or disturbance by site: Horsetooth Reservoir.
Table 4-5.	Total acres of new development or disturbance by site: Carter Lake.
Table 4-6.	Total acres of new development or disturbance by site: Pinewood Reservoir.
Table 5-1.	Characteristics of the four reservoirs in the project area.
Table 5-2.	Water quality parameters for selected analytes for supply water to the four reservoirs, Horsetooth Reservoir and Carter Lake.
Table 5-3.	Approximate acreage of plant communities at the four Larimer County reservoirs.
Table 5-4.	Weed species that occur and that have been mapped at each of the four reservoir locations.
Table 5-5.	Federal list of wildlife species for Larimer County, Colorado.
Table 5-6.	List of Colorado state special status species and other important species with habitat or potential to occur in the project area.
Table 5-7.	List of CNHP ranked species with habitat or potential to occur in the project area.
Table 5-8.	Species present at the four reservoirs in the study area.
Table 5-9.	CDOW NDIS important habitats.
Table 5-10.	Summary of existing land, water, and developed acreage at Larimer County reservoirs (acres).
Table 5-11a.	Comparison of alternatives: developed lands (land acres only).
Table 5-11b.	Comparison of developed lands under each alternative.
Table 6-1.	Implementation priorities, costs, and actions.
