Garbage Garage Education Center at the Larimer County Landfill.

(F) Help transform the Garbage Garage into the Gorgeous Garage.

Create fence art and butterfly stamping to beautify our grounds by repurposing "trash" into interesting environmental art.

Sat., September 11, 2010

(F) Mr. Bottle Bones... He's life-sized, and you'll create him from reused milk jugs that we provide. Just in time for Halloween, you'll want to reuse him every year!

Sat., October 9, 2010

(A) Giving Thanks... for our harvest of plenty, while giving thought to food ecology. Learn how food choices impact the environment (and our wallets); shop greener, reduce packaging, and use energy-saving cooking techniques.

Sat., November 13, 2010

(F) Simplify your Holidays... your favorite holiday memories probably aren't about "things." Bring your ideas to share and learn more ways to spend less and stress less during the holiday season...while being kind to the environment.

Sat., December 11 2010

(A) Resolve to Reduce your Carbon Footprint... and save money doing it! What's your carbon footprint? You'll find out that greening it is easier than you think with simple measures to reduce waste while conserving energy and money.

Sat., January 8, 2011

(A) "Sweet Tees!"... Bring an old or stained tee-shirt to refashion into a new tee or bag! We'll have extras on hand.

Sat., February 12, 2011

(F) Envirofun for Patty's Packrats.... Fun projects for parents and kids, creating CD Spinners, Slime, homemade crayons, and other fun stuff.

Sat., March 12, 2011

(F) Garbage Garage Open House and Earth Day Celebration (10am-2pm)

Saturday, April 23, 2011

(A) "Let it be: Compost"... Who knew the Beatles were singing about compost? We'll teach you "words of wisdom" regarding all your compost needs. Create an easy-to-make composter that you can take home to keep some of your garbage out of the landfill.
